

TK54 - Fuji NXT/AIM/XPF Intelligent Feeders

Model: NXT/AIM/XPF Intelligent Feeders

SKU:

Year:

Description:

Pre-Owned & Production-Ready Fuji NXT AIM XPF Feeders

Serviced & Tested. Hassle-free Warranty with Every Feeder.

All feeders are fully disassembled with all moving parts cleaned and lubricated. After the feeders are re-assembled, they are tested extensively on OEM test jigs by our in-house engineers. Large and small manufacturers all over the world count on us to supply production-ready feeders at a budget-friendly cost.
